~~The~~ Generally speaking it is not desirable to journey by car when going outside the State - ~~except~~ unless it is in continuation of a tour in the state to a place near ~~the~~ State Boundary. Hosts in our Sister States will be glad to supply the necessary Conveyance and Convenience. For example, journeying to Madras, by car ~~is~~ is not necessary. Train or Plane journey will be more comfortable and what is more economical. If the journey is made by car then only Rly fare can be claimed. A formula may be evolved

No. Fl. 6973-7073. General and Revenue Secretariat,
S.R.A. 132-49-1 Dated Bangalore, 5/2/52 Febry. 1950.

OFFICIAL MEMORANDAM.

Government observe that officers are seeking sanction of Government for excess over the monthly limits of Travelling Allowance on various grounds including attendance during ceremonial and like functions. Government desire to impress on the Heads of Departments and their subordinate officers that they should realise the present financial position which is causing anxiety, and sincerely co-operate with Government in saving every pie at this critical juncture by rigidly curtailing expenditure on Travelling Allowance, Contingencies etc. In future, Government will not pass Travelling Allowance expenses incurred on items which are of an optional nature and could be well avoided. The Heads of Departments will kindly see that tour programmes are severely scrutinised and drawn up so as to include only inevitable journeys necessary in the interest of public service and that long road marches and long halts are rigidly avoided.
